## UNDER THE PERSONAL DATA PROTECTION LAW (GDPR)

## **EXPLICIT CONSENT APPROVAL TEXT**

I was directed to read the special explicit consent approval text for the clients on the processing of personal data. Also I was told that I could access the text from the website (https://www.kemlarikan.com/). In the practice setting, there were also materials that I could read, I was told that I could ask if there was a place I did not understand. I understood that my consent is not required for the processing of my health data during the treatment process, it is due to the legislation. I have my express consent for the following matters. In this context; (\*please tick the option you prefer)

1. From time to time about my health, to contact me through the phone or e-mail I will specify by the physician	
☐ I accept	☐ I do not accept
2. To be send a message for a special day celebration such as national or religious holiday and birthdays.	
☐ I accept	☐ I do not accept
3. To be shared my personal health data and other personal information with these people	
Named	, phone number
Named	, phone number
☐ I accept	☐ I do not accept
4. To be send a satisfaction survey to increase the satisfaction of the client and to improve business activities.	
☐ I accept	☐ I do not accept
I accept and declare that I have given approval on the processing of personal/special personal data on the above -mentioned issues, with free will and information.
